MARY ANN BAUMGART
MINNESOTA VALLEY TESTING LABORATORIES
1126 NORTH FRONT STREET
NEW ULM SD 57073

Dear Mary Ann:

We have reviewed your information and request to maintain microbiological certification in South Dakota. The Bismarck Laboratory is certified to analyze for total coliforms and *E. coli* according to the chart below. Certification expires April 9, 2018 and is dependent upon annual acceptable performance evaluation studies, that standard operating procedures are not changed and your certification status with the state of North Dakota.

MICROBIOLOGICAL CONTAMINANTS:	CERTIFICATION GRANTED FOR:	CERTIFICATION EXPIRES:
E. Coli and Total Coliforms	SM9223B Colilert	04/09/2018

If there are any major changes in the laboratory's personnel or equipment or location or any other factor that may impair analytical capability, you must notify us within 30 days.

We reserve the right to perform our own on-site visit. If you have questions, contact either Teresa Chicoine (605-773-3368) or me.

Sincerely,

Barbara Friedeman
